Atty. Docket No. 13DV13120

The Notice of Abandonment dated September 8, 2003 indicates that the reason for the holding of abandonment was applicant's failure to timely file a proper reply to the Office letter mailed on January 30, 2003. However, applicant respectfully submits that a proper reply was in fact timely submitted to the United States Patent and Trademark Office (USPTO) within three months of the January 30, 2003 mailing date of the Office Action. Specifically, applicant submitted a Reply under 37 CFR 1.111 by facsimile transmission on April 30, 2003. This paper included a Certificate of Transmission certifying that the correspondence was facsimile transmitted to the U. S. Patent and Trademark Office on April 30, 2003.

In accordance with 37 CFR 1.8(b), applicant supplies herewith an additional copy of the Reply bearing the April 30, 2003 Certificate of Transmission. Applicant also includes a copy of the transmission status report that was produced by the facsimile machine used to transmit the April 30, 2003 correspondence. This transmission status report shows that ten pages were transmitted at 11:22 p.m. on April 30, 2003.

In view of the foregoing, applicant respectfully submits that a reply to the Office Action dated January 30, 2003 was timely filed and that the subject application was never abandoned in fact. Accordingly, reconsideration and withdrawal of the Notice of Abandonment dated September 8, 2003 is respectfully requested.

Per MPEP § 711.03(c), a petition under 37 CFR § 1.181(a) requesting withdrawal of a holding of abandonment does not require a fee.
